Note:

- Space in the Marketplace is limited, so vendors are encouraged to apply early.
- WomenVenture curates the Marketplace, so we will limit the number of vendors in any one category and select vendors carefully. WomenVenture reserves the right to suggest other products from your range that might sell better than those selected.
- Submitting an application does not guarantee acceptance.
- We will notify you directly of the outcome of your application. If you are selected as a vendor, you will be asked to register and pay \$50 before your space is guaranteed.
