SMALL BUSINESS RISK EDUCATION

DID YOU KNOW  you could be held liable for the auto accident of an employee?

WHAT WOULD YOU DO  if your supplier couldn’t deliver an item you use in your end product?

COULD YOUR BUSINESS STAY OPEN  if there was a natural disaster or if you had major surgery?

Learn safety and loss prevention strategies, and develop a plan to address your business risks.

Topics covered the SBRE Program

• Driver and vehicle safety
• Managing business relationship risk
• Keeping your business up and running

SBRE Program Highlights

Phase 1 - Risk Management Workshop
Travelers Risk Control Consultants provide free training sessions.

Phase 2 - One-on-One Consulting
Participants will receive one-on-one consultations with Travelers Risk Control Professional.

Phase 3 - Access to Capital
Businesses that complete a risk management plan are eligible to apply for a business loan, funded and administered by VEDC.
