

Volunteering with WomenVenture

LAUNCHED & GROWING MENTOR

Volunteer mentors support participants in WomenVenture's Launched & Growing course, motivating participants in their early-stages of entrepreneurship with operating businesses. Mentors will be expected to attend the course graduation to provide feedback on the participant's presentation, and then to meet with their participant once per month for the six months following graduation, provide a space for sharing ideas, getting honest feedback and encouragement, and raising points of concern or areas of client need to the WomenVenture team

Skills & Experience

Mentors should have a broad understanding of entrepreneurial experience, with preference for those who have started their own business and have been in operation for 3 or more years. Knowledgeable in marketing, operations, finance, and the creation of a business plan and how it is used to guide success is a plus. Mentors will provide constructive feedback regarding the participant's business plan and LivePlan road map presentation to improve clarity, accuracy, and effectiveness.

Requirements

- Complete a volunteer application and orientation with WomenVenture staff
- Provide professional feedback and support for participants monthly for 6-months post-graduation
- May provide connections to people and resources to support the participant
- Mentors will be introduced to mentees at graduation

Time Commitment: 6-10 hours
